MEMORANDUM FOR: Chief, DPD

SUBJECT: Requirement for Aerial Photography

1. There is an urgent requirement for a complete aerial photographic coverage of the Isle of Pines together with the islands in the Archipelago de los Cannarreos, with priority emphasis on Cayo Largo.
2. The urgency of this requirement is underlined by the increasing number of reports being received that the Cubans are currently building a classified installation on Cayo Largo which may be used in support of Soviet operations in the Caribbean.
3. The earliest response and comments of your office will be greatly appreciated.

J. C. KING  
Chief  
Western Hemisphere Division
